

REMARKS

Applicants are submitted this amendment to amend the specification to place it in proper format and to correct informalities therein as shown in the attached marked-up copy of the specification. No new matter has been added.

Fig. 5 has been amended to change reference numeral 48 to reference numeral 56 which is indicating a reference potential inside of the circuit group 402. No new matter has been added.

Accordingly, it is respectfully requested that this amendment be entered and allowed.

If any fee is due for this amendment, please charge our deposit account 50/1039.

Favorable consideration is earnestly solicited.

Respectfully submitted,

Dated:

July 13, 2006
